

"TOP GUN" - Scene 2
By Rob Biesenbach

CAST

Master Instructor Hardwood - tough-but-glamorous woman instructor
Jester - wacky "character" actress, big gestures
Mustang - hotshot, cocky, not a team player
Ice-cool - brooding narcissist, Mustang's chief rival
Moose - big, loveable dolt, a physical comic
Tigress - hot, oppressed woman improviser

(Lights up and the students are playing volleyball in slow motion, as in the movie, to the tune of the Kenny Loggins song, "Playing with the Boys." Moose and Mustang on one team, Ice, Jester and Tigress on the other. There should be lots of posing, preening, and muscle flexing. Moose does a dramatic bellyflop. Moose and Mustang score a big point. Then Hardwood enters, at regular speed in contrast to their slo-mo.)

HARDWOOD

You call that object work, people? Hit the showers!

(They all snap out of their slo-mo worlds and walk off.)

By the way Moose, you've got to work on your heightening!

(Lights out.)
